

For nearly one year, now we have been the Tom and Becky (\_\_\_\_\_plural noun\_\_\_\_) in \_\_\_\_\_city\_\_\_\_\_, \_\_\_\_\_state\_\_\_\_\_. This means we have been \_\_\_\_\_adj.\_\_\_\_ ambassadors for all of the \_\_\_\_\_plural noun\_\_\_\_ who visit our historic city. Of course, the most famous resident here was \_\_\_\_\_name of famous person\_\_\_\_\_, but there are others as well, such as \_\_\_\_\_minor celebrity\_\_\_\_ and \_\_\_\_\_minor celeb\_\_\_\_\_. The Tom and Becky coordinator is \_\_\_\_\_name of girl in room\_\_\_\_\_ and she did a great job. Once \_\_\_\_\_name of boy in room \_\_\_\_\_ climbed a \_\_\_\_\_noun\_\_\_\_ to show off for some \_\_\_\_\_plural nouns\_\_\_\_ and she had to get tough, but usually she's pretty \_\_\_\_\_adj.\_\_\_\_. The best part about being a Tom or Becky is seeing lots of \_\_\_\_\_plural noun\_\_\_\_ and talking to \_\_\_\_\_adj.\_\_\_\_ \_\_\_\_\_plural noun\_\_\_\_. Most \_\_\_\_\_plural noun\_\_\_\_ visit our town during the \_\_\_\_\_season\_\_\_\_. There were at least \_\_\_\_\_number\_\_\_\_ visitors this past year. Some of the \_\_\_\_\_adj.\_\_\_\_ questions we get asked make me \_\_\_\_\_verb\_\_\_\_. For instance, one \_\_\_\_\_noun\_\_\_\_ asked me how to get to \_\_\_\_\_place\_\_\_\_. Another time someone asked me if my \_\_\_\_\_body part\_\_\_\_ was real, and someone else asked if I was \_\_\_\_\_name of cartoon character\_\_\_\_. The best part of being a Tom or Becky is getting to \_\_\_\_\_verb\_\_\_\_ and \_\_\_\_\_verb\_\_\_\_ with the other Toms and Beckys. I even got to travel, and the \_\_\_\_\_adj.\_\_\_\_ place I visited was \_\_\_\_\_place\_\_\_\_. Of course, visiting the \_\_\_\_\_adj.\_\_\_\_ Mark Twain Museum ranks pretty high, too. I really like getting my picture taken with \_\_\_\_\_adj.\_\_\_\_ \_\_\_\_\_plural nouns\_\_\_\_. My favorite memory of this past \_\_\_\_\_length of time\_\_\_\_ was when I \_\_\_\_\_verb/past tense\_\_\_\_ to the top of Cardiff Hill and \_\_\_\_\_verb/past tense\_\_\_\_ with \_\_\_\_\_person in room\_\_\_\_. When I write my autobiography someday, I'll be sure to write about the \_\_\_\_\_adj.\_\_\_\_ year I spent in the Tom and Becky Program with \_\_\_\_\_person in room\_\_\_\_. It wasn't the \_\_\_\_\_superlative\_\_\_\_ year of my life, but it was certainly the \_\_\_\_\_superlative\_\_\_\_.
